Passionate and detail-oriented Web Developer and Software Developer with a robust background in web design, programming, and responsive development. Leveraging a recent diploma from St. Clair College's Web Development program, I possess hands-on experience in creating W3C-compliant, user-centric websites, as well as strong coding skills in various programming languages. I am eager to apply my expertise in both web and software development to a dynamic team, contributing to innovative and impactful projects. Seeking a Junior Web Designer, Web Developer, or Software Developer role where I can continue to grow and refine my skills.

SKILLS

- Web Development: HTML5, CSS3, JavaScript, jQuery, Bootstrap, Media Queries, Responsive Web Design, Cross-browser Compatibility, W3C Standards
- Programming Languages: Java, C++, C, SQL, .NET
- Design Tools: Adobe Illustrator, Photoshop
- Development Tools: Git, Azure, Agile Methodologies, Version Control, Debugging, Code Optimization
- Networking: TCP/IP protocols, routing, network troubleshooting
- Problem-Solving & Analytical Skills: Strong aptitude for identifying and resolving technical issues, logical thinking, and attention to detail
- Communication: Clear and effective documentation, ability to convey technical concepts to non-technical stakeholders
- Problem-Solving: Analytical skills, Attention to detail, Troubleshooting, Logical thinking

EXPERIENCE

PROJECTS

- Currency-converter- Easily convert currencies in real-time with a user-friendly interface. Stay updated with accurate exchange rates for smooth international transactions
- Spotify Clone- Discover and stream millions of songs on demand, create playlists, and enjoy personalized music recommendations. A sleek and intuitive interface that replicates the beloved features of Spotify for an immersive music streaming experience.
- Instagram Homepage- A visually engaging social media platform where users can share photos and videos with their followers. Explore captivating content from friends, influencers, and celebrities to stay connected and inspired.
